# Hallelujah

*Leonard Cohen*

[Intro]

C Am C Am

[Verse 1]

C Am  
I heard there was a secret chord  
C Am  
That David played and it pleased the lord  
F G C G  
But you don't really care for music, do you?  
C F G  
Well it goes like this the fourth, the fifth  
Am F  
The minor fall and the major lift  
G E7 Am  
The baffled king composing hallelujah

[Chorus]

F Am F C G C Am C Am  
Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

Well, your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to her kitchen chair  
She broke your throne and she cut your hair  
And from your lips she drew the hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

Baby, I've been here before  
I've seen this room and I've walked this floor  
I used to live alone before I knew you  
I've seen your flag on the marble arch  
But love is not a victory march  
It's a cold and it's a broken hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

Well, there was a time when you let me know  
What's really going on below  
But now you never show that to me do you

But remember when I moved in you  
And the holy dove was moving too  
And every breath we drew was hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

Well, maybe there's a god above  
But all I've ever learned from love  
Was how to shoot somebody who outdrew you  
It's not a cry that you hear at night  
It's not somebody who's seen the light  
It's a cold and it's a broken hallelujah

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

Hallelujah, hallelujah, hallelujah, hallelu-u-u-u-jah ....

# Dance me to the End of Love

*Leonard Cohen*

Ami Emi  
Ami Emi  
Ami Emi  
H7 Emi  
H7 Emi

Dance me to your beauty with a burning violin  
Dance me through the panic till I'm gathered safely in  
Lift me like an olive branch and be my homeward dove  
Dance me to the end of love  
Dance me to the end of love

Oh, let me see your beauty when the witnesses are gone  
Let me feel you moving like they do in Babylon  
Show me slowly what I only know the limits of  
and Dance me to the end of love  
Dance me to the end of love

*[interplay]*

Dance me to the wedding now, dance me on and on  
Dance me very tenderly and dance me very long  
We're both of us beneath our love, we're both of us above  
and Dance me to the end of love  
Dance me to the end of love

Dance me to the children who are asking to be born  
Dance me through the curtains that our kisses have outworn  
Raise a tent of shelter now, though every thread is torn  
and Dance me to the end of love  
Dance me to the end of love

La la...

Dance me to your beauty with a burning violin  
Dance me through the panic till I'm gathered safely in  
Touch me with your naked hand or touch me with your glove  
and Dance me to the end of love  
Dance me to the end of love  
Dance me to the end of love

# Suzanne

Leonard Cohen

E  
Suzanne takes you down to her place near the river  
F#m  
You can hear the boats go by, you can spend the night beside her  
E  
And you know that she's half-crazy, but that's why you wanna be there  
G#m A  
And she feeds you tea and oranges that come all the way from China  
E F#m  
And just when you mean to tell her that you have no love to give her  
E F#m  
Then she gets you on her wavelength, and she lets the river answer  
E  
That you've always been her lover

[Chorus]

G#m A  
And you want to travel with her, and you want to travel blind  
E F#m  
And you know she will trust you for you've touched her perfect body  
E  
With your mind

E  
And Jesus was a sailor when he walked upon the water  
F#m  
And he spent a long time watching from his lonely wooden tower  
E  
And when he knew for certain only drowning men could see him  
G#m A  
He said: "All men will be sailors then until the sea shall free them"  
E F#m  
But he himself was broken long before the sky would open  
E F#m  
Forsaken, almost human, he sank beneath your wisdom  
E  
Like a stone

[Chorus]

G#m A  
And you want to travel with him, and you want to travel blind  
E F#m  
And you think maybe you'll trust him for he's touched your perfect body  
E  
With his mind

E  
Now Suzanne takes your hand, and she leads you to the river  
F#m  
She is wearing rags and feathers from the Salvation Army counter  
E  
And the sun pours down like honey on Our Lady of the Harbour  
G#m A  
And she shows you where to look among the garbage and the flowers  
E F#m  
There are heroes in the seaweed, there are children in the morning  
E F#m  
They are leaning out for love, and they will lean that way forever  
E  
While Suzanne holds the mirror

[Chorus]

G#m A  
And you want to travel with her, and you want to travel blind  
E F#m  
And you know that you can trust her for she's touched your perfect body  
E  
With her mind

## Another Brick In The Wall

Dmi

We don't need no education  
We don't need no thought control  
No dark sarcasm in the classroom  
Teacher, leave them kids alone

Hey, teacher, leave them kids alone

All in all it's just another brick in the wall  
All in all you're just another brick in the wall

[Chorus by pupils from the Fourth Form Music Class Islington Green School, London]

We don't need no education  
We don't need no thought control  
No dark sarcasm in the classroom  
Teachers, leave them kids alone

Hey, teacher, leave us kids alone

All in all you're just another brick in the wall  
All in all you're just another brick in the wall

## Wish You Were Here

So, so you think you can tell  
Heaven from Hell, blue skies from pain.  
Can you tell a green field from a cold steel rail?  
A smile from a veil?  
Do you think you can tell?

Did they get you to trade your heroes for ghosts?  
Hot ashes for trees?  
Hot air for a cool breeze?  
Cold comfort for change?  
Did you exchange a walk on part in the war for a lead role in a cage?

How I wish, how I wish you were here.  
We're just two lost souls swimming in a fish bowl, year after year,  
Running over the same old ground.  
What have we found?

The same old fears.  
Wish you were here.

## What's Up

A

Twenty-five years and my life is still

Hmi D

Trying to get up that great big hill of hope

A

For a destination

I realized quickly when I knew I should

That the world was made up of this brotherhood of man

For whatever that means

And so I cry sometimes

When I'm lying in bed

Just to get it all out

What's in my head

And I, I am feeling a little peculiar

And so I wake in the morning

And I step outside

And I take a deep breath and I get real high

And I scream from the top of my lungs,

"What's going on?!"

[2x]

And I say, "Hey, hey, hey, hey!"

I said, "Hey, what's going on?"

Ooh, ooh, ooh

And I try, oh, my God, do I try

I try all the time

In this institution

And I pray, oh, my God, do I pray

I pray every single day

For a revolution

And so I cry sometimes

When I'm lying in bed

Just to get it all out

What's in my head

And I, I am feeling a little peculiar

And so I wake in the morning

And I step outside

And I take a deep breath and I get real high

And I scream from the top of my lungs,

"What's going on?!"

[4x]

And I say, "Hey, hey, hey, hey!"

I said, "Hey, what's going on?"

Ooh, ooh, ooh

Twenty-five years and my life is still

Trying to get up that great big hill of hope

For a destination

## Everybody Hurts

D

When your day is long  
And the night, the night is yours alone  
When you're sure you've had enough  
Of this life, well hang on

Don't let yourself go  
'Cause everybody cries  
And everybody hurts sometimes

Sometimes everything is wrong  
Now it's time to sing along  
When your day is night alone (Hold on, hold on)  
If you feel like letting go (Hold on)  
If you think you've had too much  
Of this life, well hang on

Everybody hurts  
Take comfort in your friends  
Everybody hurts

F#                    Hmi ...  
Don't throw your hand, oh no  
Don't throw your hand  
C                                    G  
If you feel like you're alone  
C                                    A  
No, no, no, you are not alone

If you're on your own in this life  
The days and nights are long  
When you think you've had too much of this life to hang on

Well, everybody hurts sometimes  
Everybody cries  
Everybody hurts sometimes  
And everybody hurts sometimes

So hold on, hold on  
Hold on, hold on, hold on, hold on, hold on, hold on  
Everybody hurts

## Losing My Religion

Gmi or Ami:)  
Oh life, it's bigger  
It's bigger than you  
And you are not me  
The lengths that I will go to  
The distance in your eyes  
Oh no, I've said too much  
I set it up

That's me in the corner  
That's me in the spotlight  
Losing my religion  
Trying to keep up with you  
And I don't know if I can do it  
Oh no, I've said too much  
I haven't said enough

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

Every whisper  
Of every waking hour  
I'm choosing my confessions  
Trying to keep an eye on you  
Like a hurt, lost and blinded fool, fool  
Oh no, I've said too much  
I set it up

Consider this  
Consider this, the hint of the century  
Consider this, the slip  
That brought me to my knees, failed  
What if all these fantasies come  
Flailing around  
Now I've said too much

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

But that was just a dream  
That was just a dream

That's me in the corner  
That's me in the spotlight  
Losing my religion  
Trying to keep up with you  
And I don't know if I can do it  
Oh no, I've said too much  
I haven't said enough

I thought that I heard you laughing  
I thought that I heard you sing  
I think I thought I saw you try

But that was just a dream  
Try, cry, why try  
That was just a dream  
Just a dream  
Just a dream, dream

## Ode To My Family

Doo, doo, doo, doo, doo, doo, doo, doo...

Understand the things I say, don't turn away from me,  
'Cause I've spent half my life out there, you wouldn't disagree.  
Do you see me? Do you see? Do you like me?  
Do you like me standing there? Do you notice?  
Do you know? Do you see me? Do you see me?  
Does anyone care?

Unhappiness where's when I was young,  
And we didn't give a damn,  
'Cause we were raised,  
To see life as fun and take it if we can.  
My mother, my mother,  
She hold me, she hold me, when I was out there.  
My father, my father,  
He liked me, oh, he liked me. Does anyone care?

Understand what I've become, it wasn't my design.  
And people ev'rywhere think, something better than I am.  
But I miss you, I miss, 'cause I liked it,  
'Cause I liked it, when I was out there. Do you know this?  
Do you know you did not find me. You did not find.  
Does anyone care?

Unhappiness where's when I was young,  
And we didn't give a damn,  
'Cause we were raised,  
To see life as fun and take it if we can.  
My mother, my mother,  
She hold me, she hold me, when I was out there.  
My father, my father,  
He liked me, oh, he liked me.

Does anyone care?... [X9]  
Doo, doo, doo, doo, doo, doo, doo, doo..

## Space Oddity

Ground Control to Major Tom  
Ground Control to Major Tom  
Take your protein pills  
and put your helmet on

Ground Control to Major Tom  
Commencing countdown,  
engines on  
Check ignition  
and may God's love be with you

[spoken]  
Ten, Nine, Eight, Seven, Six, Five, Four, Three, Two, One, Liftoff

This is Ground Control  
to Major Tom  
You've really made the grade  
And the papers want to know whose shirts you wear  
Now it's time to leave the capsule  
if you dare

This is Major Tom to Ground Control  
I'm stepping through the door  
And I'm floating  
in a most peculiar way  
And the stars look very different today

For here  
Am I sitting in a tin can  
Far above the world  
Planet Earth is blue  
And there's nothing I can do

Though I'm past  
one hundred thousand miles  
I'm feeling very still  
And I think my spaceship knows which way to go  
Tell my wife I love her very much  
she knows

Ground Control to Major Tom  
Your circuit's dead,

there's something wrong  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you....

Here am I floating  
round my tin can  
Far above the Moon  
Planet Earth is blue  
And there's nothing I can do.

## Moonlight Shadow

The last time ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadow.  
Lost in a riddle that Saturday night  
Far away on the other side.  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through

The trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadow  
All she saw was a silhouette of a gun  
Far away on the other side.  
He was shot six times by a man on the run  
And she couldn't find how to push through

I stay, I pray  
See you in Heaven far away...  
I stay, I pray  
See you in Heaven one day.

Four A.M. in the morning  
Carried away by a moonlight shadow  
I watched your vision forming  
Carried away by a moonlight shadow  
A star was glowing in the silvery night  
Far away on the other side  
Will you come to talk to me this night  
But she couldn't find how to push through

I stay, I pray  
See you in Heaven far away...  
I stay, I pray  
See you in Heaven one day.

Far away on the other side.  
Caught in the middle of a hundred and five  
The night was heavy and the air was alive  
But she couldn't find how to push through  
Carried away by a moonlight shadow  
Carried away by a moonlight shadow  
Far away on the other side.

## Blowin' In The Wind

How many roads must a man walk down  
Before you call him a man?  
How many seas must a white dove sail  
Before she sleeps in the sand?  
Yes, and how many times must the cannon balls fly  
Before they're forever banned?

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind.

Yes, and how many years can a mountain exist  
Before it's washed to the sea?  
Yes, and how many years can some people exist  
Before they're allowed to be free?  
Yes, and how many times can a man turn his head  
And pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind.

Yes, and how many times must a man look up  
Before he can see the sky?  
Yes, and how many ears must one man have  
Before he can hear people cry?  
Yes, and how many deaths will it take 'til he knows  
That too many people have died?

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind.

## Stairway To Heaven

There's a lady who's sure all that glitters is gold  
And she's buying a stairway to heaven.  
When she gets there she knows, if the stores are all closed  
With a word she can get what she came for.  
Ooh, ooh, and she's buying a stairway to heaven.

There's a sign on the wall but she wants to be sure  
'Cause you know sometimes words have two meanings.  
In a tree by the brook, there's a songbird who sings,  
Sometimes all of our thoughts are misgiven.

Ooh, it makes me wonder,  
Ooh, it makes me wonder.

There's a feeling I get when I look to the west,  
And my spirit is crying for leaving.  
In my thoughts I have seen rings of smoke through the trees,  
And the voices of those who stand looking.

Ooh, it makes me wonder,  
Ooh, it really makes me wonder.

And it's whispered that soon, if we all call the tune,  
Then the piper will lead us to reason.  
And a new day will dawn for those who stand long,  
And the forests will echo with laughter.

If there's a bustle in your hedgerow, don't be alarmed now,  
It's just a spring clean for the May queen.  
Yes, there are two paths you can go by, but in the long run  
There's still time to change the road you're on.  
And it makes me wonder.

Your head is humming and it won't go, in case you don't know,  
The piper's calling you to join him,  
Dear lady, can you hear the wind blow, and did you know  
Your stairway lies on the whispering wind?

And as we wind on down the road  
Our shadows taller than our soul.  
There walks a lady we all know  
Who shines white light and wants to show

How everything still turns to gold.  
And if you listen very hard  
The tune will come to you at last.  
When all are one and one is all  
To be a rock and not to roll.

And she's buying a stairway to heaven.

## Ironic

An old man turned ninety-eight  
He won the lottery and died the next day  
It's a black fly in your Chardonnay  
It's a death row pardon two minutes too late  
And isn't it ironic... don't you think

It's like rain on your wedding day  
It's a free ride when you've already paid  
It's the good advice that you just didn't take  
Who would've thought... it figures

Mr. Play It Safe was afraid to fly  
He packed his suitcase and kissed his kids goodbye  
He waited his whole damn life to take that flight  
And as the plane crashed down he thought  
"Well isn't this nice..."  
And isn't it ironic... don't you think

It's like rain on your wedding day  
It's a free ride when you've already paid  
It's the good advice that you just didn't take  
Who would've thought... it figures

Well life has a funny way of sneaking up on you  
When you think everything's okay and everything's going right  
And life has a funny way of helping you out when  
You think everything's gone wrong and everything blows up  
In your face

A traffic jam when you're already late  
A no-smoking sign on your cigarette break  
It's like ten thousand spoons when all you need is a knife  
It's meeting the man of my dreams  
And then meeting his beautiful wife  
And isn't it ironic...don't you think  
A little too ironic...and, yeah, I really do think...

It's like rain on your wedding day  
It's a free ride when you've already paid  
It's the good advice that you just didn't take  
Who would've thought... it figures

Life has a funny way of sneaking up on you  
Life has a funny, funny way of helping you out  
Helping you out

## One Of Us

*[Intro:]*

*So one of these nights and about twelve o'clock  
This old world's going to reel and rock  
Saints will tremble and cry for pain  
For the Lord's gonna come in his heavenly airplane*

If God had a name, what would it be?  
And would you call it to his face,  
If you were faced with Him in all His glory?  
What would you ask if you had just one question?

And yeah, yeah, God is great  
Yeah, yeah, God is good  
Yeah, yeah, yeah, yeah, yeah

What if God was one of us?  
Just a slob like one of us?  
Just a stranger on the bus  
Trying to make His way home?

If God had a face, what would it look like?  
And would you want to see  
If seeing meant that you would have to believe  
In things like Heaven and in Jesus and the saints  
And all the prophets? And...

Yeah, yeah, God is great  
Yeah, yeah, God is good  
Yeah, yeah, yeah, yeah, yeah

What if God was one of us  
Just a slob like one of us  
Just a stranger on the bus  
Trying to make His way home?

(Just?) tryin' to make His way home  
Back up to Heaven all alone  
Nobody callin' on the phone  
'Cept for the Pope, maybe, in Rome

Yeah, yeah, God is great  
Yeah, yeah, God is good

Yeah, yeah, yeah, yeah, yeah

What if God was one of us  
Just a slob like one of us  
Just a stranger on the bus  
Trying to make His way home?

Just tryin' to make His way home  
Like a holy rolling stone  
Back up to Heaven all alone  
Just tryin' to make His way home  
Nobody callin' on the phone  
'Cept for the Pope, maybe, in Rome

## Shape Of My Heart

He deals the cards as a meditation  
And those he plays never suspect  
He doesn't play for the money he wins  
He don't play for respect

He deals the cards to find the answer  
The sacred geometry of chance  
The hidden law of a probable outcome  
The numbers lead a dance

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

He may play the Jack of diamonds  
He may lay the Queen of spades  
He may conceal a King in his hand  
While the memory of it fades

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart  
That's not the shape, the shape of my heart

And if I told you that I loved you  
You'd maybe think there's something wrong  
I'm not a man of too many faces  
The mask I wear is one

But those who speak know nothing  
And find out to their cost  
Like those who curse their luck in too many places  
And those who fear a loss

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart  
That's not the shape of my heart  
That's not the shape, the shape of my heart

## Fields Of Gold

You'll remember me when the west wind moves  
Upon the fields of barley  
You'll forget the sun in his jealous sky  
As we walk in fields of gold

So she took her love  
For to gaze awhile  
Upon the fields of barley  
In his arms she fell as her hair came down  
Among the fields of gold

Will you stay with me, will you be my love  
Among the fields of barley  
We'll forget the sun in his jealous sky  
As we lie in fields of gold

See the west wind move like a lover so  
Upon the fields of barley  
Feel her body rise when you kiss her mouth  
Among the fields of gold  
I never made promises lightly  
And there have been some that I've broken  
But I swear in the days still left  
We'll walk in fields of gold  
We'll walk in fields of gold

Many years have passed since those summer days  
Among the fields of barley  
See the children run as the sun goes down  
Among the fields of gold  
You'll remember me when the west wind moves  
Upon the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold  
When we walked in fields of gold  
When we walked in fields of gold

## All This Time

I looked out across  
The river today  
I saw a city in the fog and an old church tower  
Where the seagulls play  
I saw the sad shire horses walking home  
In the sodium light  
I saw two priests on the ferry  
October geese on a cold winter's night

And all this time, the river flowed  
Endlessly to the sea

Two priests came round our house tonight  
One young, one old, to offer prayers for the dying  
To serve the final rite  
One to learn, one to teach  
Which was the cold wind blows  
Fussing and flapping in priestly black  
Like a murder of crows

And all this time, the river flowed  
Endlessly to the sea  
If I had my way I'd take a boat from the river  
And I'd bury the old man,  
I'd bury him at sea

Blessed are the poor, for they shall inherit the earth  
Better to be poor than a fat man in the eye of a needle  
And as these words were spoken I swore I hear  
The old man laughing  
'What good is a used up world and how could it be  
Worth having'

And all this time the river flowed  
Endlessly like a silent tear  
And all this time the river flowed  
Father, if Jesus exists,  
Then how come he never lived here

The teachers told us, the Romans built this place  
They built a wall and a temple, an edge of the empire  
Garrison town,

They lived and they died, they prayed to their gods  
But the stone gods did not make a sound  
And their empire crumbled, 'til all that was left  
Were the stones the workmen found

And all this time the river flowed  
In the falling light of a northern sun  
If I had my way I'd take a boat from the river  
Men go crazy in congregations  
But they only get better  
One by one  
One by one...

## Fragile

If blood will flow when flesh and steel are one  
Drying in the colour of the evening sun  
Tomorrow's rain will wash the stains away  
But something in our minds will always stay  
Perhaps this final act was meant  
To clinch a lifetime's argument  
That nothing comes from violence and nothing ever could  
For all those born beneath an angry star  
Lest we forget how fragile we are

On and on the rain will fall  
Like tears from a star like tears from a star  
On and on the rain will say  
How fragile we are how fragile we are

On and on the rain will fall  
Like tears from a star like tears from a star  
On and on the rain will say  
How fragile we are how fragile we are  
How fragile we are how fragile we are

## Every Breath You Take

Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watching you

Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watching you

Oh, can't you see  
You belong to me  
How my poor heart aches with every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you

Since you've gone I've been lost without a trace  
I dream at night I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying baby, baby please

Oh, can't you see  
You belong to me  
How my poor heart aches with every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you

Every move you make  
Every step you take  
I'll be watching you

I'll be watching you

(Every breath you take  
Every move you make  
Every bond you break)

I'll be watching you

(Every single day  
Every word you say  
Every game you play)

I'll be watching you

(Every move you make  
Every vow you break  
Every smile you fake)

I'll be watching you

(Every single day  
Every word you say) Ooh  
(Every claim you stake)

I'll be watching you

## The Show Must Go On

Empty spaces - what are we living for  
Abandoned places - I guess we know the score  
On and on, does anybody know what we are looking for...  
Another hero, another mindless crime  
Behind the curtain, in the pantomime  
Hold the line, does anybody want to take it anymore  
The show must go on,  
The show must go on  
Inside my heart is breaking  
My make-up may be flaking  
But my smile still stays on.  
Whatever happens, I'll leave it all to chance  
Another heartache, another failed romance  
On and on, does anybody know what we are living for?  
I guess I'm learning, I must be warmer now  
I'll soon be turning, round the corner now  
Outside the dawn is breaking  
But inside in the dark I'm aching to be free  
The show must go on  
The show must go on  
Inside my heart is breaking  
My make-up may be flaking  
But my smile still stays on  
My soul is painted like the wings of butterflies  
Fairytale of yesterday will grow but never die  
I can fly - my friends  
The show must go on  
The show must go on  
I'll face it with a grin  
I'm never giving in  
On - with the show -  
I'll top the bill, I'll overkill  
I have to find the will to carry on  
On with the -  
On with the show -  
The show must go on...

## What A Wonderful World

I see trees of green,  
red roses too.  
I see them bloom,  
for me and you.  
And I think to myself,  
what a wonderful world.

I see skies of blue,  
And clouds of white.  
The bright blessed day,  
The dark sacred night.  
And I think to myself,  
What a wonderful world.

The colors of the rainbow,  
So pretty in the sky.  
Are also on the faces,  
Of people going by,  
I see friends shaking hands.  
Saying, "How do you do?"  
They're really saying,  
"I love you".

I hear babies cry,  
I watch them grow,  
They'll learn much more,  
Than I'll ever know.  
And I think to myself,  
What a wonderful world.

Yes, I think to myself,  
What a wonderful world.

## Zombie

Another head hangs lowly  
Child is slowly taken  
And the violence caused such silence  
Who are we mistaken

But you see it's not me  
It's not my family  
In your head, in your  
Head they are fighting  
With their tanks and their bombs  
And their bombs and their guns  
In your head,  
In your head they are cryin'

In your head, in your head  
Zombie, zombie, zombie  
Hey, hey  
What's in your head, in your head  
Zombie, zombie, zombie  
Hey, hey, hey, oh  
Dou, dou, dou, dou  
Dou, dou, dou, dou  
Dou, dou, dou, dou  
Dou, dou, dou, dou

Another mother's breakin'  
Heart is taking over  
When the violence causes silence  
We must be mistaken

It's the same old theme since nineteen-sixteen  
In your head,  
In your head they're still fightin'  
With their tanks and their bombs  
And their bombs and their guns  
In your head, in your head they are dyin'

In your head, in your head  
Zombie, zombie, zombie  
Hey, hey  
What's in your head, in your head  
Zombie, zombie, zombie

Hey, hey, hey  
Oh, oh, oh, oh, oh, oh, oh  
Hey, oh, ya, ya-a

## Something Stupid

I know I stand in line, until you think you have the time  
To spend an evening with me  
And if we go someplace to dance, I know that there's a chance  
You want be leaving with me

And afterwards we drop into a quiet little place  
And have a drink or two  
And then I go and spoil it all, by saying something stupid  
Like: "I love you"

I can see it in your eyes, that you despise the same old lies  
You heard the night before  
And though it's just a line to you, for me it's true  
It never seemed so right before

I practice every day to find some clever lines to say  
To make the meaning come through  
But then I think I'll wait until the evening gets late  
And I'm alone with you

The time is right, your perfume fills my head, the stars get red  
And oh the night's so blue  
And then I go and spoil it all, by saying something stupid  
Like: "I love you"  
("I love you, I love you,...")

## The Boxer

I am just a poor boy  
Though my story's seldom told  
I have squandered my resistance  
For a pocketful of mumbles  
Such are promises  
All lies and jest  
Still, a man hears what he wants to hear  
And disregards the rest

When I left my home and my family  
I was no more than a boy  
In the company of strangers  
In the quiet of a railway station  
Running scared  
Laying low, seeking out the poorer quarters  
Where the ragged people go  
Looking for the places only they would know

Lie-la-lie...

Asking only workman's wages  
I come looking for a job  
But I get no offers  
Just a come-on from the whores on Seventh Avenue  
I do declare there were times when I was so lonesome  
I took some comfort there

Lie-la-lie...

Then I'm laying out my winter clothes  
And wishing I was gone  
Going home  
Where the New York City winters aren't bleeding me  
Leading me  
Going home

In the clearing stands a boxer  
And a fighter by his trade  
And he carries the remainders  
Of every glove that laid him down  
And cut him till he cried out  
In his anger and his shame

“I am leaving, I am leaving”  
But the fighter still remains

Lie-la-lie...

## America

Let us be lovers,  
We'll marry our fortunes together.  
I've got some real estate  
Here in my bag.

So we bought a pack of cigarettes,  
And Mrs. Wagner's pies,  
And walked off  
To look for America.  
"Kathy", I said,  
As we boarded a Greyhound in Pittsburgh,  
Michigan seems like a dream to me now.

It took me four days  
To hitch-hike from Saginaw.  
"I've come to look for America."

Laughing on the bus,  
Playing games with the faces,  
She said the man in the gabardine suit  
Was a spy.

I said, "Be careful,  
His bowtie is really a camera."  
"Toss me a cigarette,  
I think there's one in my raincoat."  
We smoked the last one  
An hour ago.

So I looked at the scenery,  
She read her magazine;  
And the moon rose over an open field.  
"Kathy, I'm lost", I said,  
Though I knew she was sleeping.  
"I'm empty and aching and  
I don't know why."

Counting the cars  
On the New Jersey Turnpike  
They've all come  
To look for America,  
All come to look for America,  
All come to look for America.

Stars fading but I linger on, dear

Still craving your kiss

I'm longing to linger till dawn, dear

Sweet dreams till sunbeams find you

Sweet dreams that leave all worries behind you

## More Than Words

Saying "I love you"  
Is not the words  
I want to hear from you  
It's not that I want you  
Not to say  
But if you only knew

How easy  
It would be to  
Show me how you feel  
More than words  
Is all you have to do  
To make it real  
Then you wouldn't  
Have to say  
That you love me  
Cause I'd already know

What would you do?  
If my heart  
Was torn in two  
More than words  
To show you feel  
That your love  
For me is real  
What would you say  
If I took  
Those words away  
Then you couldn't  
Make things new,  
Just by saying  
"I love you"  
More than words,  
More than words

Now that I've tried to  
Talk to you  
And make you understand  
All you have to do  
Is close your eyes  
And just reach out your hands

And touch me  
Hold me close  
Don't ever let me go  
More than words  
Is all I ever  
Needed you to show  
Then you wouldn't  
Have to say  
That you love me  
Cause I'd already know

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real  
What would you say if I took those words away  
Then you couldn't make things new  
Just by saying I love you

## Perfect Day

Just a perfect day  
Drink sangria in the park  
And then later, when it gets dark  
We go home

Just a perfect day  
Feed animals in the zoo  
Then later a movie, too  
And then home

Oh, it's such a perfect day  
I'm glad I spent it with you  
Oh, such a perfect day  
You just keep me hanging on  
You just keep me hanging on

Just a perfect day  
Problems all left alone  
Weekenders on our own  
It's such fun

Just a perfect day  
You made me forget myself  
I thought I was someone else  
Someone good

Oh, it's such a perfect day  
I'm glad I spent it with you  
Oh, such a perfect day  
You just keep me hanging on  
You just keep me hanging on

You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow  
You're going to reap just what you sow

## Torn

I thought I saw a man brought to life  
He was warm, he came around like he was dignified  
He showed me what it was to cry

Well, you couldn't be that man I adored  
You don't seem to know  
Seem to care what your heart is for  
But I don't know him anymore

There's nothing where he used to lie  
My conversation has run dry  
That's what's going on  
Nothing's fine, I'm torn

I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor

Illusion never changed  
Into something real  
I'm wide awake and I can see  
The perfect sky is torn  
You're a little late, I'm already torn

So I guess the fortune teller's right  
I should have seen just what was there  
And not some holy light

But you crawled beneath my veins  
And now I don't care, I have no luck  
I don't miss it all that much  
There's just so many things  
That I can't touch, I'm torn

I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor

Illusion never changed  
Into something real

I'm wide awake and I can see  
The perfect sky is torn  
You're a little late, I'm already torn, torn

There's nothing where he used to lie  
My inspiration has run dry  
That's what's going on  
Nothing's right, I'm torn

I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor

Illusion never changed  
Into something real  
I'm wide awake and I can see  
The perfect sky is torn

I'm all out of faith  
This is how I feel  
I'm cold and I'm ashamed  
Bound and broken on the floor  
You're a little late, I'm already torn, torn

## Tears In Heaven

Would you know my name  
If I saw you in heaven?  
Would it be the same  
If I saw you in heaven?

I must be strong  
And carry on  
'Cause I know I don't belong  
Here in heaven

Would you hold my hand  
If I saw you in heaven?  
Would you help me stand  
If I saw you in heaven?

I'll find my way  
Through night and day  
'Cause I know I just can't stay  
Here in heaven

Time can bring you down  
Time can bend your knees  
Time can break your heart  
Have you begging please, begging please

Beyond the door  
There's peace I'm sure  
And I know there'll be no more  
Tears in heaven

Would you know my name  
If I saw you in heaven?  
Would you be the same  
If I saw you in heaven?

I must be strong  
And carry on  
'Cause I know I don't belong  
Here in heaven

'Cause I know I don't belong  
Here in heaven

## In Liverpool

In Liverpool  
On Sunday  
No traffic  
On the avenue  
The light is pale and thin  
Like you  
No sound, down  
In this part of town  
Except for the boy in the belfry  
He's crazy, he's throwing himself  
Down from the top of the tower  
Like a hunchback in heaven  
He's ringing the bells in the church  
For the last half an hour  
He sounds like he's missing something  
Or someone that he knows he can't  
Have now and if he isn't  
I certainly am

Homesick for a clock  
That told the same time  
sometimes you made no sense to me  
if you lie on the ground  
in somebody's arms  
you'll probably swallow some of their history

And the boy in the belfry  
He's crazy, he's throwing himself  
Down from the top of the tower  
Like a hunchback in heaven  
He's ringing the bells in the church  
For the last half an hour  
He sounds like he's missing something  
Or someone that he knows he can't  
Have now and if he isn't  
I certainly am

I'll be the girl who sings for my supper  
You'll be the monk whose forehead is high  
He'll be the man who's already working

Spreading a memory all through the sky

In Liverpool

On Sunday

No reason to even remember you now

Except for the boy in the belfry

He's crazy, he's throwing himself

Down from the top of the tower

Like a hunchback in heaven

He's ringing the bells in the church

For the last half an hour

He sounds like he's missing something

Or someone that he knows he can't

Have now and if he isn't

I certainly am

## Yesterday

Yesterday all my troubles seemed so far away.  
Now it looks as though they're here to stay.  
Oh, I believe in yesterday.

Suddenly I'm not half the man I used to be.  
There's a shadow hanging over me.  
Oh, yesterday came suddenly.

Why she had to go, I don't know, she wouldn't say.  
I said something wrong, now I long for yesterday.

Yesterday love was such an easy game to play.  
Now I need a place to hide away.  
Oh, I believe in yesterday.

Why she had to go, I don't know, she wouldn't say.  
I said something wrong, now I long for yesterday.

Yesterday love was such an easy game to play.  
Now I need a place to hide away.

## A Hard Day's Night

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel alright

You know I work all day to get you money to buy you things  
And it's worth it just to hear you say you're going to give me everything  
So why on earth should I moan, cos when I get you alone  
You know I feel OK

When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel alright owww

So why on earth should I moan, cos when I get you alone  
You know I feel OK

When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I find the things that you do  
Will make me feel alright  
You know I feel alright  
You know I feel alright

## Let It Be

When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be

And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

And when the broken-hearted people  
Living in the world agree  
There will be an answer  
Let it be

For though they may be parted there is  
Still a chance that they will see  
There will be an answer  
Let it be

Let it be, let it be, let it be, let it be  
Yeah, there will be an answer  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

And when the night is cloudy  
There is still a light that shines on me  
Shine until tomorrow  
Let it be

I wake up to the sound of music

Mother Mary comes to me  
Speaking words of wisdom  
Let it be

Let it be, let it be, let it be, yeah, let it be  
There will be an answer  
Let it be

Let it be, let it be, let it be, yeah, let it be  
There will be an answer  
Let it be

Let it be, let it be, let it be, yeah, let it be  
Whisper words of wisdom  
Let it be

## Lucy In The Sky With Diamonds

Picture yourself in a boat on a river  
With tangerine trees and marmalade skies  
Somebody calls you, you answer quite slowly  
A girl with kaleidoscope eyes

Cellophane flowers of yellow and green  
Towering over your head  
Look for the girl with the sun in her eyes  
And she's gone

Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Aaaaahhhh...

Follow her down to a bridge by a fountain  
Where rocking horse people eat marshmallow pies  
Everyone smiles as you drift past the flowers  
That grow so incredibly high

Newspaper taxis appear on the shore  
Waiting to take you away  
Climb in the back with your head in the clouds  
And you're gone

Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Aaaaahhhh...

Picture yourself on a train in a station  
With Plasticine porters with looking-glass ties  
Suddenly someone is there at the turnstile  
The girl with kaleidoscope eyes

Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Aaaaahhhh...  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds  
Lucy in the sky with diamonds

Aaaaahhhh...

Lucy in the sky with diamonds

Lucy in the sky with diamonds

Lucy in the sky with diamonds [fade out]

## Imagine

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
Living for today... Aha-ah...

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion, too  
Imagine all the people  
Living life in peace... You...

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world... You...

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

## Hey Jude

Hey, Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her into your heart  
Then you can start to make it better

Hey, Jude, don't be afraid  
You were made to go out and get her  
The minute you let her under your skin  
Then you begin to make it better

And anytime you feel the pain,  
Hey, Jude, refrain  
Don't carry the world upon your shoulders  
For well you know that it's a fool  
Who plays it cool  
By making his world a little colder

Nah, nah nah, nah nah, nah nah, nah nah

Hey, Jude, don't let me down  
You have found her, now go and get her  
Remember to let her into your heart  
Then you can start to make it better

So let it out and let it in,  
Hey, Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you,  
Hey, Jude, you'll do  
The movement you need is on your shoulder

Nah, nah nah, nah nah, nah nah, nah nah yeah

Hey, Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her under your skin  
Then you'll begin to make it better, better, better, better... oh!

Nah, nah nah, nah nah, nah, nah, nah nah,  
Hey, Jude  
Nah, nah nah, nah nah, nah, nah, nah nah,  
Hey, Jude

## Eleanor Rigby

Ah, look at all the lonely people  
Ah, look at all the lonely people

Eleanor Rigby picks up the rice in the church where a wedding has been  
Lives in a dream  
Waits at the window, wearing the face that she keeps in a jar by the door  
Who is it for?

All the lonely people  
Where do they all come from?  
All the lonely people  
Where do they all belong?

Father McKenzie writing the words of a sermon that no one will hear  
No one comes near  
Look at him working, darning his socks in the night when there's nobody there  
What does he care?

All the lonely people  
Where do they all come from?  
All the lonely people  
Where do they all belong?

Ah, look at all the lonely people  
Ah, look at all the lonely people

Eleanor Rigby died in the church and was buried along with her name  
Nobody came  
Father McKenzie wiping the dirt from his hands as he walks from the grave  
No one was saved

All the lonely people  
(Ah, look at all the lonely people)  
Where do they all come from?  
All the lonely people  
(Ah, look at all the lonely people)  
Where do they all belong?
